A one-week camp session dedicated to saturating teens in the art of straight theater, this camp is geared towards actors who desire an intense theater experience! We will put up several short plays in only **ONE WEEK**, culminating in an exciting performance for friends and family. Campers will spend an extended camp day learning the specifics an actor needs to create a character, having fun with improvisation, putting on a full professional show, and much more! If you are a teen who is serious about theater and would love to bring your performance to the **NEXT LEVEL**, then this camp is for you!
